BOWMAN NORTH

VOLUME III

DEDICATION

We, the students of Bowman Public High School are proud to hereby dedicate our nineteen-hundred and sixty-one Bowman Bulldog Annual to Mr. John E. James.

Without the constant and enduring interest of Mr. James in the youth of Bowman, many of the activities in which we as high school students participate would be impossible. The land of the James' Athletic Field on which the inter-scholastic football of the high school and sports of other organizations are played was donated to the people of Bowman by Mr. James. In addition to the many donations by Mr. James, his attendance at almost all high school activities was highly appreciated. Mr. James' interest in the youth of this community more than merits this dedication.

STUDENT COUNCIL

The Student Council is an organization of students elected by students to serve as their official representatives in all matters which concern the entire school.

Leadership traits are developed by the Council in its members by giving them practical experience in scheduling, organizing, managing and administering. Among its objectives are encouraging the practice of good citizenship, providing a forum for the expression of student opinion, coordinating student affairs and promoting school spirit.

The Student Council successfully supported a candidate for a North Dakota State Student Councils office and has promoted International Understanding by inviting a panel of North Dakota Foreign Exchange Students to our school.

The Council has held its first annual Student Council banquet, developed leadership, encouraged greater citizenship and school spirit, and has promoted many other worthwhile causes.

NATIONAL HONOR SOCIETY

Richard Schaff
1-yr. Permanent Member

The National Honor Society is an organization within the framework of the high school designed to give greater recognition to those students who have the qualifications to belong to this organization. Members of this organization are selected of their leadership abilities, their personality, their service to the school, and their academic standards. As the name suggests, it is a great honor to belong to the National Honor Society. This privilege is generally reserved for a small portion of the members of a high school.

In addition to the above pictured seniors, other members of the society include: Honorary senior members--Sharon Wolberg, Cleo Freitag, Janice Anderson, Betty Susag; Juniors--Duggie Stewart, Janet White, Judy Alexander, Diane Puckett, Theresa Mihulka, Norma Storlie; Sophomores--Carol Nygaard, Linda Klug, Lois McKennett. The advisors are Mr. Solberg, Mr. Whelan and Mr. Sohn.
